INSURANCE INFORMATION FORM

Please contact your insurance company and obtain the following information. You do not need to call if you have Medicare.

1. Does your insurance policy have Physical/Occupational Therapy Benefits?

yes no

2. Do you have a co-pay? yes no Deductible? yes no

3. Is pre-certification necessary? yes no

If yes, please have your referring physician call them with the necessary information.

4. If a splint is prescribed, does your insurance cover splints? yes no

Most insurance companies do not cover splints, so if one was ordered, please be prepared to pay for these on your initial visit. The cost ranges from \$35 to \$125 and prices are subject to change.

Remember, we bill your insurance as a courtesy to you. The contract is between you and them, if there is a problem with non-payment of a claim, it is your responsibility to follow-up.

All co-pays are payable when service is rendered. You may pre-pay if you already know how many visits you will be having.
